Guidelines for Completion

Students admitted as full-time students must normally complete their degree requirements within four terms after the date of initial registration.

Academic Standing

A grade of B- or better is normally required in each credit counted towards the degree. However, a candidate may, with the recommendation of the School and the approval of the Vice Provost (Graduate Studies), be allowed to count a grade of C+ in 0.75 credits.

Withdrawal from the program will be required if an M.Acc. student:

- Receives a grade of lower than B- in 1.25 credits or more, or
- Fails to achieve a weighted GPA of 7.0 after completing 2.0 credits of study, or to maintain it, or
- Receives a grade lower than C+ in the same course more than once.

Regularly Scheduled Break

For immigration purposes the winter term (January to April) for the full-time MAcc. Program is considered a regularly scheduled break approved by the University. Students should resume full-time studies in May.

Note: a Regularly Scheduled Break as described for immigration purposes does not supersede the requirement for continuous registration in Thesis, Research Essay, or

Independent Research Project as described in Section 8.2 of the Graduate General Regulations.

M. Accounting

Applicants are expected to hold an honours bachelor's degree or equivalent, with a minimum overall average of B-; demonstrated coverage of the CPA Competency Map at the 'Entry' level, and a minimum grade of C- in each of the prerequisite courses (courses that meet the Entry level requirements of the CPA Competency Map) with a minimum overall average of B+ in the prerequisite courses.

Students who hold a CPA, CMA designation and who have completed the Strategic Leadership Program, Case Examination and Board Report, may be exempted from the course ACCT 5134 Advanced Integration I, with the approval of the M.Acc. Director.
